WE ARE OPENING  
A WINDOW TO SOUTH ASIA.  
COME AND TAKE A LOOK!

“As a school librarian, I am always looking to diversify my collection to include representation of global cultures and religions, and this title will make a perfect addition.” – Kate Olson, *The Loud Library Lady*

“Milky Way would also work well in a classroom science unit as an example of bridging science and culture.” – Alia Jones, *Read It Real Good*, Library Services Assistant

“Milky Way speaks to the universal curiosity and wonder shared by all children about the world around them.” – Michelle Sterling, *Books For Diversity*

Milky Way by Mamta Nainy,  
Illustrated by Siddhartha Tripathi  
978-0989061568 (Hardcover)  
978-0989061582 (Paperback)
